EXPERIENCE

Huang Lab: Center for Consciousness Science **Dec. 2025 – Present**

Research Assistant *University of Michigan, Ann Arbor, MI*

- Studying changes in functional brain connectivity in anesthetized patients; formerly worked with complexity classifications of BOLD signals

Sheinberg Lab **Jun. 2026 – Aug. 2026**

Research Assistant, Leadership Alliance SR-EIP *Brown University, Providence, RI*

- Designed a context-free motion-tracking paradigm to test internal gravity priors' guidance of motion extrapolation.

Undergraduate Journal of Public Health **Sept. 2025 – Present**

Editor (Literature Review Section) *University of Michigan, Ann Arbor, MI*

- Part of the editorial board; responsibilities include selecting and reviewing scientific manuscripts for accuracy and impact

Oral Surgery Dept., Michigan Medicine **Aug. 2025 – Present**

REDCap Consultant *University of Michigan, Ann Arbor, MI*

- Developing a REDCap database for TMJ replacement surgery patients, including PROMs and clinical data.

Project RISHI **Sept. 2025 – Present**

Finance Chair *University of Michigan, Ann Arbor, MI*

- Participating in optiMize's Social Innovation Challenge as part of a 5 member team to help secure grant funding to improve technology access and provide digital literacy tools and preprofessional support to a rural college in Telangana.

Athey Lab **2023 – 2024**

Research Volunteer *University of Michigan, Ann Arbor, MI*

- Conducted research on bias in AI images, was credited in some of Dr. Athey's presentations, and developed an AI pipeline for efficient slideshow production.

Brain Capital Alliance **2022 – 2023**

Independent Researcher *Remote*

- Worked on the intersection of brain health, music and sports under the guidance of Dr. Harris Eyre, Founder of Brain Capital Alliance; produced one research paper published in the Journal of Student Research (linked above).

Genes In Diseases And Symptoms **2023 – 2025**

Independent Researcher *Ann Arbor, MI*

- Featured oral presenter at the 2024 miRcore conference for my work linking age related cognitive disorders and pancreatic cancer (linked above).

EDUCATION

University of Michigan; LSA Honors (current) **May 2029**

Bachelor of Science in Cognitive Science (Computation Track) and Neuroscience *Ann Arbor, MI*

SKILLS & INTERESTS

- **Skills:** Research, Editing, Bioinformatics, Presentation, Leadership, Collaboration, Problem-solving, Communication, Coding (C++ and Python proficient), CPR certified, First Aid certified, Concussion certified, Microsoft Excel
- **Interests:** Mental Health, Neuroanatomy, Cognition, Tennis, Music, Violin, Photography
